

CAFE SORTING STATION

1 Liquids Bucket

No Liner - Students pour out liquids so containers can be recycled!

Best Practices:

- Raise the bucket to help prevent spills!

2 Recycle Bin

Clear Liner - Cartons & bottles are collected right after liquids.

Best Practices:

- Recyclables should be EMPTY (no food or liquid remaining)

3 Landfill Bin

Black Liner - Students empty trash & food into the trash can.

Best Practices:

- Squishy, flimsy plastic & sporks go in the trash

4 Stack Trays

Use Table or Cart - Kids neatly stack trays to save space in the recycle bin

Best Practices:

- Stack trays like a puzzle & push down on the stack
